SANTA ANA, CALIFORNIA, WEDNESDAY, MAY 7, 1930

NUMBER THIRTY

# DONS SET FOR FIESTA DAY PROGRAM

## Complete Ditch Day Plans

### DON CAMPUS GROUPS HELP WITH EVENTS

Bachelors, Spinsters And Jr. Lions Assisting With Program

Mystery is surrounding the campus this week as students of the Santa Ana junior college secretly prepare for the annual Ditch Day to be held at Corona Del Mar within the next two weeks.

Unlike many former excursions, the 1930 affair will be organized and run off so that all students will be interested. The first festivities will start at 10 a. m. and from then on until far late in the evening, the Dons and Donas will frolic on the sand and listen to the various programs being planned.

The Brotherhood of Bachelors have charge of the afternoon program and have outlined an ambitious schedule of events including football, baseball, soccer, races, indoor games between the boys and the girls and the Lions and the Bachelors and beach sports of all kinds including swimming.

The students will furnish their own dinner while the Sisterhood of Spinsters will provide ice cream for everyone. In the evening, a big bonfire will be built and the program is in charge of the Junior Lions. The evening program will continue until quite late if the students wish to stay. Parents of students will probably go along as chaperones.

Miss Ada Marie Hendricksen, social commissioner, is in charge of the affair and is assisted by several committees. Ernest Stump, grand exalted Bachelor, is master of ceremonies during the afternoon while Delmar Brown is chief at night.

The original plan was to have the Ditch Day at Catalina Island but the excursion there was discarded the first of this week.

### Longfellows Have Banquet Tuesday

Plans are now being rushed to completion for the banquet next Tuesday evening that the Santa Ana junior college Society of Longfellows is having at James cafe.

Ed Adams and John "Sky" Dunlap, president are working out the plans for the affair and expect to have a very fine program. Special guests will be present and a speaker will talk on some interesting subject. The banquet will start at 6 p. m. to allow the Longfellows to go to other engagements and classes in the evening.

One of the main purposes of the banquet will be to complete the program the Longfellows will present on Fiesta Day. The Longfellows are going to assist with the serving and possibly have other duties on the traditional day. Each member will wear a typical Longfellow made of colored paper on his costume throughout the day. The advisability of continuing the club next year will also be discussed among other things.

### Sympathy Expressed

Students and faculty members of the Santa Ana junior college wish to extend their sincere sympathies to Eleanor Crill in the loss of her mother.

### Frosh Elections Scheduled Soon

All members of the freshman class are urged by Al Kluthe, president, to keep in mind candidates to act as marshals during graduation. One boy and one girl will be selected for the honor in an assembly in the near future.

At the same time, Kluthe announced that elections for sophomore officers would be made in the same election. The balloting will be held after the Associated Student elections on May 28.

### Executive Board Organizes School Publicity Group

Formation of a publicity committee for next year was one of the principal accomplishments of the Executive board at the last meeting on Monday at 5 p. m. in the A. S. J. C. office.

The vice-president of the college will be the chairman of the committee, which will have 12 members from the art and journalism departments. Efficient handling of all advertising for dances, social events and other school activities will be insured by the work of the committee.

George Warner, outgoing president, will introduce a new system of King's Day to do away with the usual rowdiness and confusion on that occasion. An appropriate assembly program will be presented. It was reported that the Algol will be distributed about June 2.

The board recommended that the Y. M. C. A. and the Y. W. C. A. be allowed to have a religious assembly once each six weeks next year. The program would compare to chapel to a certain extent but compulsory attendance will not be required.

It was stated that all secretaries of clubs must notify the social commissioner of all club meetings so that the social calendar may be kept up to date. A discussion was held on the advisability of limiting students in membership in only one club of each type.

The general outline of the pageant to be presented Fiesta Day was read and approved. Miss Betty Maloney and Lavinia Compton will be in charge of the Spanish affair. The cooperation of the Bachelors and Junior Lions was promised.

### Beta Gamma Adds Members To Roll

Three new members were added to the Beta Gamma honorary society at the special meeting last week and will receive their traditional initiation ceremonies at the next meeting to be held on May 27.

Miss Vernell Butler, Miss Maybelle Ball and Lawson Watkins were the students voted into the society. The next meeting will be a potluck supper at the home of Mrs. John Tessimann, one of the faculty advisers of the club.

Miss Virginia Thomas, president, is making plans for the final banquet of the year to be held on June 13 at The Tavern in Long Beach. At that time, all members will be present and observe the annual customs.

The next meeting of the Y. W. C. A. will be held at the Christian church at 6 o'clock on May 12. The Y. M. C. A. will meet with the Y. W. C. A. There will be a surprise speech on International relations, the girls' quartet will sing and Pauline Prescott will present a solo.

### OPEN CENTER TODAY AFTER J. C. ASSEMBLY

Trio And Soloists Play During Regular Program

Dedicating a musical program to the official opening of the Student Center was the theme of today's assembly which was arranged by Marjorie Walton.

A trio composed of Georgia Belle Walton, violinist, Edward Burns, cellist, and Molly Mossier, pianist, played "Extase", by Gaunes, and "Serenade", by Tasselli. Miss Walton played two violin solos, "Spanish Fantasia", by Granados, and "Songs My Mother Taught Me", by Dvorak-Kreisler. Two vocal solos sung by Margaret Rust were "Gloria Nina Mia" and "Going Home".

Miss Walton and Katherine Kilbourne played a violin duet, "Adagio and Andante" from the Suite Moderne, by Moore.

Everett Stovall played as a piano solo, the "Blue Danube Waltz", by Shulz-Evler, while Burns gave two cello solos, "Estrallita", by Pance, and "Dance Rustique", by Squires.

Immediately following the musical program, George Raymer, secretary of the Santa Ana Chamber of Commerce made a short address. Delmer Brown, president of the Junior Lions, presented the Student Center to the Associated Students, and George Warner, A. S. J. C. president, gave a short acceptance talk.

### Breakfast Club To Hear Dr. Warner

Owing to the unavoidable absence of Dean Fisk, Dr. George Warner, pastor of the First Methodist church will preside at the meeting of the junior college Breakfast club next Sunday.

Dr. Warner is leading a round table discussion on the general subject of "The Church" which should prove very valuable to the members.

Mr. Fisk is planning on attending the Southern California Faculty-Student conference on Campus Religion held at the Malibu Lake Mountain club. The conference is co-educational and is for the purpose of crystallizing the work of numerous smaller groups which have met in Southern California during the past few months. The conference will be led by many of the leading men in the field of religion and education in California.

### Musical Concert Offered Tonight

Santa Ana junior college vocal students and musicians will take a very prominent part in the grand concert that will be presented by the music department of the college and the high school this evening at 8 o'clock in the auditorium.

One of the greatest assemblage of high school and jaycee music students on one program will be the treat in store for the music lovers of Santa Ana when the combined music groups of the junior college and the high school present their program.

A chorus of 120 voices will appear on the program arranged for the observance of National Music Week.

Miss Myrtle Martin, head of the music department and Samuel J. Mustol, head of the instrumental department, having been devoting much time in the preparation of this concert.

### Chairman Gives Hints For Fiesta Costumes

It has been suggested by Clara Kate Owens, Fiesta Day chairman, that in order to celebrate May 16 in true Don spirit Spanish and Mexican costumes can easily be improvised.

For the boys who have been unable to obtain costumes, brightly colored strips of material sewed on the sides of trouser legs, and wide sashes at the waist will be adequate. An old cotton skirt, dyed a bright color, worn with a loose white blouse will form an admirable background for a girl's costume.

Fiesta Day is the gala event of the season, and when in costume one enters into the spirit of the celebration more wholeheartedly.

### Moav Club Named In Last Meeting

Striving to attain and promote dignity and culture among the girls on the campus, social and service club has been organized which will be known as the Moav club. This club will carry out the Egyptian motif in all its work.

All members are voted upon and membership is limited to 24.

This new organization was started by six girls who are the charter members. They are Grace Haskell, president; Margaret Westover, vice-president; Virginia Thomas, treasurer; Louise Ward, secretary; Alice McChesney, social service and Frances Harper, publicity.

New members voted in are Frances Larrabee, Lavinia Compton and Marian Garber. Pledges are Gladys Earley, Elsiebell Hurd, Louella Marshall and Ruth Brubaker.

At the last meeting held recently it was decided to start the tradition of an annual formal banquet.

New members voted upon were Maybelle Ball, Vernell Butler, Helen Estock, Evelyn Parks, and Helen Hendricks.

These girls are invited to the dinner meeting which is to be held tonight at Alice McChesney's home at 1416 Parton street.

### Card "Hell Week" Before Fiesta Day

Initiation of Bachelor pledges will take place Monday evening, May 19, at the home of Warren Schutz, in Anaheim, preceded by "Hell Week", it was decided at a meeting of the Brotherhood in the home of Joe Warner Monday evening.

During the special business session it was recommended that the organization ask for a \$100.00 subsidy at the next meeting of the Executive board to carry out next year's Bachelors ball.

Five Bachelors were chosen to take part in the Spanish pageant to be given Fiesta Day being Hal Dunham, Joe Warner, Herman Hoch, Rod Chamberlain and Ernie Stump. Three others volunteered to act as supervisors for a series of games to be sponsored by the club at Corona del Mar, Ditch Day. The Bachelors are in charge of entertainment for the afternoon.

Every Bachelor volunteered to assist in serving the dinner the evening of Fiesta Day and all are to cooperate in wearing Spanish costumes. Each member will wear a red paper rolling pin during the day. Bachelors and their lady friends will have a special block of seats reserved for "The Show Shop" in the evening.

After a brief entertainment by the pledges, the gathering listened to vocal selections sung over the radio station KREG by Art Beddoes, one of the Bachelors.

The "scums" to be initiated are Everett Idlor, Wayne Bartholomew, Tom Clark, Bill Reinhardt, Bob Williams, Herman Hoch, John "Sky" Dunlap, Wayne Garlock, Tom Cone and Leonard McIntosh.

## ADD SPANISH PAGEANT TO TRADITIONAL FETE OF COLLEGE ON MAY 16

CLARA KATE OWENS MAKING ARRANGEMENTS

Full Day of Entertainment Scheduled, Including Don And Dona Coronation, Music, Talks, Dinner, Dance, Banquet And Annual College Play

### J. R. Bruff Elected To Junior Lions

Members of the Junior Lions club met at Ketter's for their monthly dinner meeting Monday evening, and made plans for the dedication of the Student Center which took place at the assembly today. It was decided to present a pamphlet containing the musical program arranged by Marjorie Walton, and also messages from Dean Fisk, Mrs. Northcross, Delmer Brown, and George Warner.

J. R. Bruff, faculty adviser for extracurricular activities, was unanimously elected to honorary membership, as a recognition of his interests in the students of the college, and his untiring aid and cooperation on all occasions.

In response to a call for assistance in the Fiesta Day pageant, the Junior Lions agreed to take part in the performance as asked for by Clara Kate Owens, Fiesta chairman.

President Brown read a letter of congratulations from the Bachelors in regard to the completion of the Student Center, and agreed to a unanimous vote of thanks.

### 17 He-Men Still Sprouting Beards

Out of 53 students who signed up for the O. K. club beard-growing contest, which is to terminate the evening of Fiesta Day, May 16, only 17 have remained in the race.

No entry will be allowed to compete for more than one award, and anyone who intends to try for a prize is urged to sign up for the division he wishes to enter. A booth will be in the hall sometime during the first of the week for this purpose. The divisions will be explained at that time.

The judging will be at 6:15 p. m. in the gym the evening of Fiesta Day. There will be no delay as it is part of the program for the day.

Those who are still in the contest are Norman Wood, Jack Frost, Herman Goodwin, "Sky" Dunlap, Julien Lecrivaine, Leonard McIntosh, Herman Hoch, Chester Smith, Virgil Brown, Justin McGill, Bill Crawford, Ernest Stump, Willard Minor, Cardwell Oglesby, Ray Glesener, Carol Bertolet and Abbott Mason.

### Algol To Appear On Campus June 2

According to reports today, Lavinia Compton, editor of the Algol, states that the yearbook will be ready for distribution on Monday, June 2. Special features of the book are being kept secret and it is hoped that they will meet with the favorable approval of all students.

Special work such as inserts, cuts and introductory sections are all complete. All introductory sections have been set by hand in the print shop classes under the direction of Thomas E. Williams, high school and junior college printing instructor. Special type, Morris Romanized, was ordered especially for the introductory sections, according to Allan Beisel who had charge of setting up these sections.

Early distribution is planned in order that students may have time to obtain their quota of signatures before the grand rush of commencement time comes around.

Beginning with the grand procession at 10 o'clock and climaxed by the annual school play, "The Show Shop," the annual Spanish Fiesta Day on May 16, is being heralded as the best celebration of the finest tradition in college history.

Under the leadership of Miss Clara Kate Owens, Fiesta chairman, committees are rapidly completing their plans for the event. About 400 graduating seniors from Orange county high schools will be honorary guests on the occasion during the afternoon and evening. Practically all teachers and students have planned to don Spanish costumes for the day and a very successful Fiesta is anticipated.

Abbott Mason and Miss Mary McHenry will rule as Don and Dona, the first event on the program being the grand procession behind the Don and Dona in ox-cart drawn by two oxen. The coronation ceremony will be performed by Father John O'Sullivan of the San Juan Capistrano mission.

Many prominent guests have been invited to attend the Santa Ana Fiesta and have promised to be here. John Steven McGroarty, author of the Mission Play, Mrs. Virginia Stibers Bartlett, author of the famous novel, "Adios", Faustina Lucero, noted Spanish dancer, Mrs. Manuela Budrow, vocalist and several others will probably be here.

Other attractions on the program will be a dinner at noon, Spanish pageant at 2 o'clock, exhibition of the school and student projects, a dance in the evening, banquet on the lawn and the final event, "The Show Shop" in the evening at 8 o'clock.

A special issue of The Don will be printed for Fiesta Day. It will contain six or eight pages, be printed with colored ink and contain a great number of pictures of campus views, prominent students and typical Spanish scenes. Over 1000 will be printed and will be passed out to all students and guests.

### Troupe Attracts New Dons, Donas

Conducting one of the most extensive publicity projects of the Santa Ana junior college has been the task of the members of the Orpheo Troupe, who are presenting Don programs at the different high schools of the county.

On May 1, the Orpheo Troupe conducted a half-hour assembly program at the Tustin high school. George Warner, master of ceremonies, extended an invitation to the student body urging them to attend the college Fiesta Day program, May 16.

Mildred Staples, chairman of the program, gave a short talk on extracurricular activities of the college. Louis Romoff played a violin solo entitled, "Spanish Dance", accompanied at the piano by Marjorie Walton. Wayne Flinn gave a clever reading on "Road to Health". Ed Adams outlined the opportunities of participating in Don athletics.

On May 9, two teams of the Orpheo Troupe will conduct assemblies, one appearing at Garden Grove at 1:00 o'clock, the other team appearing at Anaheim at 1:35 p. m.

Baxter Geeting will be chairman of the Garden Grove program, he will give a short talk on Don athletics. Dorothy Harman will describe campus life. June Arnold will give a short reading. Louis Romoff, assisted by Marjorie Walton, will play several musical numbers. George Warner, Associated Students president, will extend the high school student body (Continued on page 3)

## MILE RECORD BROKE BY DONAHUE AT CONFERENCE MEET; RAIN FLOODS TRACK

Glendale Upsets Compton.  
Long Beach By Scoring  
36 Points To Win

Nothing can stop the jaycee trackmen; not even old Jupe Pluvius. Mr. Pluvius was on the job all day Saturday, but so were the junior college tracksters. Despite Jupe's efforts, seven of the conference meet records were broken at the annual Southern California junior college association track meet held at Chaffey Saturday.

The most notable performance of the day was Tom Donahue's victory in the mile. In winning Donahue accomplished several things. First, he set a new conference record, replacing the old one held by Bob Vawter also of Santa Ana. Donahue splashed his way around the four laps in 4 minutes 35.8 seconds. Second, he defeated his old rival, Wally Minch of Compton. Minch had previously defeated Donahue, at the Berkeley tryouts, and at Berkeley. Third, Donahue established himself as the most consistent distance man in the conference. Outside of the two previous defeats from Minch, he has not been beaten. Donahue has ran some of his best races under the most difficult conditions.

Joe Warner, Art Jacques, and Melvin Beatty, who had also been counted on to score for Santa Ana, failed to place. Beatty who had been hitting 170 feet regularly in the javelin, could not hit more than 155 feet. The javelin he has been using all season was a fraction of an inch too short, and he had to use a strange one. Jacques, constant at 6 feet all season, dropped out at 5 ft. 6 in.; he had to take off from a mud puddle. Warner, with a 25 flat flight of low hurdles, was bothered by his injured leg, and failed to finish the race.

Glendale did what was accepted as almost impossible before the meet, when the "Buc" amassed 36 3-4 points to nose out Long Beach and Compton, the pre-meet favorites. Long Beach scored 33 3-4, while Fullerton edged in ahead of Compton, the real favorites, for third place; Fullerton scored 27, while Compton tallied 24 3-4. Other scores were: Los Angeles 17 3-4; Riverside, 10; Pasadena, 6; Santa Ana, 5; San Bernardino, 3; Chaffey, 1.

Joe Forbes of Long Beach was high point man, with three firsts in the weights; all three are new conference records. Massey of Fullerton set a new 880 mark of 2 min. 3.2 sec.; Aebersold of Pasadena set a new 2-mile mark of 10 min. 18.2 sec.; Jefferson of Compton vaulted to a new record of 13 feet, 1 inch; and Donahue's 4:35.8 in the mile were the new league marks.

"Heard the new Ford song yet, Miriam?"  
"Nay Vivian, but out with it."  
"Moan in low, girl friend."

## S. A. J. C. Golf Team Meets Pomona Saturday

The Pomona jaycee golf team invades Santa Ana this Saturday afternoon, for a tourney with the Don golfers. The matches will be played at the Willowick course.

Nothing much is known of the Pomona team, but except that one of their players, Moos, placed second in the Southern California junior college individual tournament held at Pasadena last Saturday.

The Santa Ana team will probably line up with Leslie McDonald, Stewart McPherson, Eric Twist, Ben Peterson and Van Pomeroy.

## Santa Ana Men Defeat Co-Ed Baseball Team

Santa Ana junior college women met a 20 to 2 defeat at the hands of the burley Dons in a "Hard-fought" baseball game last Friday. It was what turned from a challenge that the women had issued to the men.

Agnes McKinstry opened in the box for the women, but was succeeded on the mound by Frances Larrabee, Helen Lee and Mariam Samuelson. Louis Romoff and Ed Adams did the flinging for the Dons.

Stewart, Samuelson, McDonald,	
Compton, Lee,	
Dons—Adams, Bertolet, Olivares,	
Edwards.	

## Santa Ana Wins Prep Track Flag

Upsets galore helped the Santa Ana high school to win first Southern California track title yesterday when the Saints nosed out San Diego for the title with 17 points to 15 for the Southerners. Captain Paul won the low hurdles in 24 4-5 and the broad jump with 22 feet, 8 1-2 inches; Alvin Reboin took second in the high hurdles and fifth in the low hurdles and tied for fourth in the pole vault at 12 feet; Doyle Gilbert took fourth in the broad jump and the relay team took a close third.

The two Coast League teams will fight it out for the state title next Saturday at Berkeley.

"Where is the Cal-U. S. C. game to be played?"  
"At the Biltmore."

## ASA Trumps

By Oran Asa

4 minutes 35.8 seconds in a pouring rain, and a muddy track! Not bad at all! In fact it is an achievement that makes Santa Ana proud of you, Tom. You ran Wally Minch of Compton, national A. A. U. junior champion, into the ground; Minch finishing a pour fourth. A hundred yard lead over such a field is quite convincing. If that had been a dry track, it is no telling what your time would have been.

As we expressed last week, we hoped, as it was sure that Bob Vawter's mile record would go, that Santa Ana would retain it. Well, we got our wish, and the Dons still hold three of the official conference records. Guyer's two sprint marks are the others held by Santa Ana. The prep meet scheduled for last Saturday, was postponed and ran off yesterday. The jaycee officials couldn't see any use of doing the same, so out into the rain paddled the athletes. Our Long Beach brothers, who claim the best swim team in the United States might have won the track meet if they had brought along some of their "paddlers". The man that had the best "crawl" or the most technique in hitting the water invariably came out in the lead. The times were of course much slower than they should have been. On a dry track, maybe all the records in the conference record book would have had 1930 after them. But, seven new records in year is pretty good.

Track made it's fade-out last Saturday, and with it some eleven Dons ran their last race for Santa Ana. Those that have pulled off Santa Ana junior college track suits for the last time are: Captain Joe Warner, Jack Sweetnam, Eric Reinau, Kench Tanaka, Truck Lindsey, Jack Rimel, Ed Adams, Frank Miles, Leland Dresser, Earnest Stump, and Carol Bertolet. Santa Ana is also proud of these men.

## Pasadena Stages Play Day Saturday

Pasadena junior college will be hostess to all the junior colleges in Southern California. This is to be the last play day of the year. Mrs. Foote is confident that Santa Ana has a fine chance of winning many points and placing high in the meet. Santa Ana women have placed high in all of the previous play days.

Santa Ana junior college women will leave Saturday morning for Pasadena, and the last play day of the year. Baseball, swimming, and tennis will be on the all-day card.

These girls to represent Santa Ana

## New Track Records Set Up In 1930

The track record book has been closed. Three of the track marks have 1930 after them, while one was tied, and still another was unofficially broken. Tom Donahue now holds the two-mile record, but on top of all his mile exploits the past season, does not officially hold the mile mark. Donahue broke Bob Vawter's 4:34.7 mark at the Berkeley meet, stepping the four laps in 4:33, but as he did not win the event, it does not stand officially. Melvin Beatty increased his brother's javelin mark from 158 feet to 174 feet; 4 inches. Joe Warner cracked Charley Webber's 26 flat low hurdle mark by turning in a 25 flat flight.

The Santa Ana jaycee school records after the 1930 campaign are as follows:

100-yard dash—Maurice "Red" Guyer, 9.8, 1928.	
220-yard dash—Maurice "Red" Guyer, 21.6, 1929.	
440-yard dash—Herbert Stroschein, 53 seconds flat, 1926.	
880-yard run—Robert Vawter, 2 minutes 1 1-8 seconds, 1926.	
1 mile run—Robert Vawter, 4 minutes, 34 7-10 seconds, 1926.	
2 mile—Tom Donahue, 10 minutes 22 seconds, 1930.	
High jump—Robert Jacques, 6 feet, 1929, and Art Jacques, 6 feet, 1930.	
Broad jump—Al Clayes, 21 feet, 3 inches, 1926.	
Pole vault—Everett Lutz, 11 feet, 3 inches, 1926.	
Discus—Aubrey Reinhardt, 123 feet, 3 1-2 inches, 1927.	
Shot put—Aubrey Reinhardt, 40 feet, 1927.	
Javelin—Melvin Beatty, 175 feet, 4 inches, 1930.	
120-yard high hurdles—Charles Webber, 16 flat, 1926.	
220-yard low hurdles—Joe Warner, 25 seconds flat, 1930.	
4-man mile relay—(Squires, Martin, Twist, McIntire), 3 minutes, 34 seconds, 1927.	

on the baseball team are: Mildred Staples, Esther Guyton, Helen Lee, Elsiebell Hurd, Lavinia Compton, Irene Whisler, Ruth Fitz, Gladys Earley, Dorothy Harman and Lillian McDonald. The second team is composed of June Arnold, Ida Spicer, Margaret Westover, Jean Anderson, Agnes Steward, Mariam Samuelson, Louella Marshall, Agnes McKinstry and Hilda Frick.

Mary Ford will play first singles in the tennis meet, and Frances Larrabee and Audrey Teel will play first doubles.

## Learn How To Use A Bank

Many people have failed in their life's work by not understanding how to enlist the interest and aid of a good bank. It will be worth while to study the operation of a bank, the service it renders, and how to use its guidance in financial matters. You are welcome to consult us at any time you please.

**FIRST NATIONAL BANK**  
Of Santa Ana

## INELIGIBILITIES CAUSE DON BASEBALL TEAM TO DROP REMAINING GAMES

### Grid Drill To Begin Latter Part Of This Week

Weather permitting, junior college spring football practice will begin the last part of the week, it was announced today by Bill Cook, jaycee grid mentor.

It was feared that not enough would turn out to make practice worth while, but Cook has been assured of at least 25 candidates, and hopes that the number will be increased to 35.

Cook intends to have several games among the athletes, and as a conclusion, to stage the last interclass game of the year. Coach Cook will stage punting contests, and so on, he also announced.

### Don Miler Competes In A. A. U. Meet Sat.

Tom Donahue, Santa Ana jaycee's star miler, has entered the mile at the Southern Pacific A. A. U. meet to be held this Saturday at Patterson field, Occidental college. Donahue has one mark of 4 minutes, 33 seconds for the four laps, and several others in the 30's.

The local miler will hook up with the best milers in the west; all the men from U. S. C., U. C. L. A. and the Southern Conference, will be entered. The favorite will be Cliff Halstead of U. S. C. He is consistent in the 20's. Donahue will also meet up with his old jaycee rivals, Bill Black of Long Beach, who took second to Donahue last Saturday, and Wally Minch of Compton, who has defeated Donahue twice, to one loss.

### Lack Of Players Forces Don Mentor To Call Off League Games

Santa Ana jaycee has been forced to forfeit their remaining baseball games, because of lack of material, it was learned today. The recent ruling that no player could play night baseball and college baseball combined with injuries and ineligibilities, has hit the local nine so hard that they haven't had enough to fill out a team. The Los Angeles, Pasadena, Citrus, San Bernardino and Fullerton games are the ones that have been cancelled.

At the start of the season, Coach Clyde Cook's men looked like sure candidates for the conference flag. Some twelve practice games have been played; Santa Ana winning most of them. Most notable of their games was their 6 to 3 win over Cal Tech varsity, and their first two games with Long Beach which resulted in the Viking wins by scores of 11 to 9, and 4 to 2. The other games were with the various high schools of the county.

Orville Schuchardt, pitcher; Charles Andres, second baseman; and Leonard Natland, fielder, chose night baseball instead of college ball.

Gerald Scott, short stop; and Franklin Van Meter were declared ineligible. Vernon Valentine, first baseman, injured his leg and had to quit. As these men were the backbone of the team, their dropping has merely wrecked what coaches considered potential champions.

## Las Meninas Club To Serve Dinner On Fiesta Day

Katherine Spicer and Corinne Nelson entertained the members of the Las Meninas club Monday night at the home of the former at 504 E. 17th street in Santa Ana. The meeting commenced at 7:45 o'clock.

This newly organized service and social club is to conduct the ticket sale of the A. W. S. dance. During the business meeting Eleanor Metzgar, president, appointed Dorothy Harman chairman of the project.

Las Meninas, living up to their names, will serve the dinner on Fiesta Day. They are to have entire charge of the meal, including the decoration of the cafeteria. Spanish costume will be adopted for the day by the members.

It was decided that the Las Meninas set aside, on the social calendar, the second and fourth Monday of each month as their meeting days. Future meetings were arranged and it was decided by popular vote to adopt a club pin.

## Tatlers Discuss Seaside Outing

Around the table of the Tavern Tatlers last night Persian literature was discussed. The feature of the meeting was a talk by Fred Humiston.

The Tatlers met in the junior college building at 7:30 o'clock.

During the business session the plans for a steak bake, to be held at Dana Point on Tuesday, May 15, were completed. The first club steak bake was so enjoyable that the Tavern Tatlers decided to duplicate the experience. As the membership quota lacks one of being filled new names were brought up to be voted upon. The remaining meetings of the year were discussed briefly.

Those who attended last night's meeting were T. H. Glenn, faculty adviser for the club; Corinne Nelson, Baxter Geeting, Mary Louise Wallace, Katherine Spicer, Roberta Goodrich, Virginia Thomas, Elva Cook, Lavinia Compton, Frances Larrabee, Virgil Purvis, Fred Humiston, Betty Lou Snider, William Reinhardt, Rebecca Neddermeyer, Doris Robbins, Mary Ford and Fred Humiston.

Miss Agness Todd Miller, club adviser, Eleanor Metzgar, Mary Ford, Katherine Spicer, June Arnold, Esther Guyton, Ruth Fitz, Dorothy Harman, Juliette Taylor, Jean Anderson, Dorothy Price, Katherine Walbridge, Mildred Staples, Lillian McDonald, Corinne Nelson, Mary Louise Wallace, Lurena Woods, Helen Lee and Katherine Harwood.

## Press Club Members Complete Plans For Annual Beach Party At Balboa

Press club members are to hold their annual beach party this afternoon at the home of Charles Adams at 304 Coronado street, Balboa.

Leaving in cars at 3:30 o'clock the members will meet at Balboa. Unique prizes are to be offered for the fastest and slowest swimmers and other featured performances.

## Cabinet Attends Y. W. Conference

Motoring from Santa Ana junior college at 5 o'clock, Friday, May 2, members of the new cabinet went to U. C. L. A. at Westwood to attend the spring junior college Y. W. C. A. cabinet training conference of Southern California.

After registering Friday evening all attended the Ship's Party at the Y. W. C. A. put on by the San Bernardino Y. W. C. A.

Breakfasting at the Y. W. C. A. everyone adjourned to the auditorium for worship which was led by Clara Miller Schwieso, general secretary of the Glendale Y. W. C. A. Rosita Hopps Nordwall, chairman of the Asilomar division spoke of the student movement at a general session. Cabinet and committee responsibility was spoken of by Helen Hobart.

After luncheon, Saturday noon, members of the same committees met together for discussions.

On account of the rainy weather the proposed tour of the U. C. L. A. campus and a beach party were cancelled. Instead they all adjourned to Holmby Hall where the "beach party" and program were given by Chaffey Y. W. C. A.

On Sunday morning committee round table discussions were resumed.

The convocation was closed with a sermon by Dr. A. Rimsen Bird, president of Occidental college.

Those attending the convention from Santa Ana junior college were Maybelle Ball, Mariam Parsons, Jean Anderson, Elsiebell Hurd, Juliette Taylor, Gladys Earley, Vernell Butler, Audrey Teel, Joanna Day, Helen Estock and Geraldine Cole.

After a swim, baseball is to be the sport of the afternoon with prizes posted for the winning team.

A steak and marshmallow bake is to follow and the rest of the evening will be spent around the big bonfire.

Those on the social committee are Helen Mayes, chairman, Mary Elizabeth Smith and Audrey Teel.

## Varsity "S" Club Meet Postponed

Don lettermen will not meet at the home of George Warner, 613 Spurgeon this evening at 7:30 for a general business meeting, it was announced by Jack Dutton, president of the Varsity "S" club, who changed the meeting late this week.

Committees for the Fiesta Day entertainment will be appointed at the meeting next week. The club will discuss the beach party to be staged for athletes from the leading high schools of the county. The organization is conducting a campaign to interest all Orange county high schools athletes to attend college.

## French Students Prepare Playets

Excellent progress is being made by members of the Bon Matin French club, on the one act plays which are being prepared for a club program in the near future, according to Julian L'Ecrivain, president of the club.

Of special interest will be a play written by Gladys Earley, one of the members of the local club.

## Students Plan French Dinner

Dinner a la French will be served members of the L'Hotel de Rambouillet, French club at the French restaurant at Dana Point in the near future, according to plans recently made by members of the club.

A short program of readings and games will be given following the dinner. The journey from the junior college to the beach city will be made in private cars.

Be original. Don't wear suspenders or a belt. Eventually your originality will be noticed. Oh, my, yes.

## Spinsters Plan For "Show Shop"

Election of officers occupied the greater part of the last meeting of Spinsters, a new Dona organization which recently made its appearance on the campus. Clara Kate Owens was supreme spinster; Marjorie Walton, sub-supreme spinster; Keeper of the quilt, Betty Wiswall; Keeper of the button box, Betty Maloney and Member of the sox, Frances Vieira.

According to Miss Owens the group intends to take an active part in campus activities. They will have complete charge of the ticket sale for "The Show Shop", which will be presented on the evening of May 16, Fiesta Day. Spinsters will also have charge of the decorations for Fiesta Day.

Every Wednesday is observed with all members wearing small green checked work aprons and dark rimmed spectacles. This day is observed with great solemnity and is known as Spinsters Wash Day. Meetings are held each Wednesday in the Student Center.

## Alpha Rho Tau Visits Laguna Art Gallery

Alpha Rho Tau members motored to Laguna Beach last Friday afternoon where they were shown through the Laguna Art Gallery. Club members were fortunate in having Frank Cuprien, noted artist, tell them the story of each famous painting.

In place of a beach party after the visit to the gallery, as had been previously planned, the group returned to the home of Mary Louise Wallace where they enjoyed steaks which had been prepared by Mildred Staples. Other dishes were brought and the group enjoyed a warm meal after their journey to the beach city.

Pledges will be initiated at the next meeting which will be held at the home of Mary Louise Wallace. Two new members, Elizabeth Straw and Virgil Purvis were voted into the society.

At the next meeting officers will be elected for the next term. Initiation will be the feature of the meeting when Everett Idlor and Kirby Todd take charge of the ceremonies.

Officers for the past term were Mary Louise Wallace, president; Maybelle Ball, vice-president, and Goldie Peale, secretary-treasurer.

(Continued from page 1)

an official welcome to the Fiesta Day celebration.

Dorothy Harman will be chairman of the Don program to be presented at the Anaheim high school at 1:25 p. m. George Warner, will be master of ceremonies, extending the student body a Fiesta Day welcome. Al Kluthe, will make a short talk on athletics. A short reading will be given by June Arnold. A violin solo by Louis Romoff, accompanied at the piano by Marjorie Walton, will complete the program.

Programs have been scheduled for Huntington Beach high school, May 12, and Orange high school, May 14.

## Is That Nice?

What chance has a poor college man with the co-eds these days? He pounds the pavements wherever he goes and hasn't a dime in his pocket most of the time, while half the women in SANTA ANA JUNIOR COLLEGE have cars and the other half have NEW FORDS. If a girl doesn't get an enormous allowance she "sex appeals" her way into a snap job that ought to be furnishing bread and butter for some poor college man. How is a fellow going to assert his superiority and patronize the female sex when conditions such as those exist? Whoever originated this A. W. S. dance, where the women date the men, had the right idea. Egad, we should have more of that sort of thing.

To add insult to injury, a man can't even boast of his physical prowess. Our "weak sisters" have taken up sports and become "strong brothers". Gad zooks, a fellow can't even protect his "women folks" any more. Just try to suppress a would be masher some time. The offended lady will have the scoundrel laid out for the count before you can get your coat off.

If science continues to advance at the present rate women will probably be buying their babies at chain stores.

Come on you guys, let's go out to planet X and start a world of our own! No? Well come to think about it we might as well hang around a while. Women are rather nice to look at even if we're not allowed to associate with them.

Not wishing to crow or anything like that but 75 votes out of a possible 500 on the subject of high school dates rather supports the contentions set forth in this column last week.

Who says that theme songs are something new? Tut, tut, they had theme songs in ancient Rome. Why, Nero accompanied himself and sang "Turn On The Heat" while the city of Rome burned to the ground. When "Robinson Crusoe" was first produced on the London stage there was a girl in it who sang a song entitled "He May Be Your Man Friday But He's My Man Saturday Night". Theme songs new? Well hardly!

What do I think of the 6-4-4 plan? Well it's all right as far as it goes but every time I get the dice they go 6-4-4-7. My advice is stay away from "craps". Your money will go farther at poker.

Friend Bill worked his way through medical college as a service station attendant. In after years I developed a slight case of locomotor ataxia. I thought of Bill and went up to his office. Bill hadn't forgotten his college training.

"Clean off your windshield?", he asked as he slapped me in the face with a wet chamois.

"Fill your radiator?", and he shoved a hose in my mouth.

"How's the air?", he queried as he kicked me in the stomach.

Needless to say I was down the fire escape and away before he had an opportunity to check the oil and take a look at my battery.

## College Song

(Cut out and paste inside cover of your notebook.)

Santa Ana College,  
Our alma mater dear,  
We will always sing thy praises  
With voices loud and clear  
All hail to Santa Ana,  
For thee we'll do our best;  
At thy call we'll throng with shout  
and song  
In alma mater's quest.

Loyal, faithful, true, and girded  
To uphold thy honored name;  
Forever and forever  
We'll bring aloft thy fame.  
Though we part in journey onward,  
We 'will' still united be;  
At thy call we'll throng with shout  
and song.  
All hail, all hail to thee.

## OUR SPANISH HERITAGE

The romantic sequence of colorful eras in the history of Southern California has given to us one of the most splendid heritages ever bequeathed.

Juan Rodriguez Cabrillo in 1542 touched the shores of "the Golden Harbor of the Sun"—the first white man to put foot on our western coast. Eager, adventurous, care-free were the Spanish explorers that followed him, returning to Mexico and to Spain to tell fabulous tales of the beauty and riches they discovered, and wondrous stories of the pitiful, savage, heathen race that populated the country. It was for the good of the latter that the Franciscan missionaries turned their travels toward the land of dreamy hills.

Many honorable and great deeds were done during the Spanish era and the memory of them still remains to remind one of the customs, traditions, language religion and the nobility of that splendid people.

Then the color and happy idleness of the Mexicano invaded the land. The Dons with their ranchos, towns, and pueblos for the Indian, lived a life lacking in ambition, but

crowded with gaiety, plenty and above all peace! In an age of such great commercialism one finds it pleasant to look back on California before the day of the Gold Rush—before it stood for and exemplified America.

A land where the Christian father trudged many a weary mile—but his recompense was sweet, the converted, educated Indian, a land where the Spanish conquered, and civilized; a land where the Don danced, sang ate, and was peaceful and gay. That was California! Bright blue waters and sunny days, green hills and fertile valleys, the palm, the olive tree, the vineyard—that was California!

A land full of vivid history, bright pageantry, and poignant tragedy—that was California!

The Indian the Spaniard, the Mexican and lastly the American walk before us in brilliant parade. Each portrays his own fascinating episode.

As the sun set over the red-tiled roof of a gleaming white rancho, or the grey walls of a picturesque mission, the sky and the sea stole the perfect beauty—a multicolored world of rarest shades.

## Chicken List

Only a little more than a week to go and still they turn chicken. Out of the 53 that signed only 17 remain brave and hardy; the rest fell by the wayside. Real prizes, judges who know their haircuts, and honor awaiting those who last. Only 17 contestants, and seven prizes. Zowie! What a break. Only the poorest excuse has no chance, and yet, even he can win.

Witness the chickens this week:

Tommy Cone, Gene Olson, Roy Arnold, Albert Corral, Marion Nau, Fred Humiston, Eric Twist, Albert Corral, Richard Zinser, Verne Wilson, Julius Kusel, Felix Garnsey, Max Appleby, Eric Reinart, Kenneth Eastman, Eldon Hermes, Kench Tanaka, Frank Mansur, Ed Meader, Leland Dresser, Jac Crawford, Robert Williams, John Gordon, Lawrence Heide, Theodore Roth, Baxter Geeting, Elmer Whistler, Truscott Lindsey, Marquise Hare, Wayne Bartholomew, Robert Martin, Arthur Beddoes, James Lukins, Ed Adams, Nevin Hoy, and Bill Reinhardt.

## LA FIESTA

Warm sunshine and blue skies smile down upon gallant caballeros and gaily clad señoritas of California. Sweet music and lilting laughter accompany the graceful dancing and the joyous games. Dons and Donas extend hospitality and friendship to visitors from the surrounding countryside, mingling together in chatter, feasting and enjoyment.

The honored Don, most handsome and typical among them, escorts the loveliest Dona to the throne, and they are crowned midst gorgeous blossoms of our Southland.

'Tis Fiesta Day! Once more the happy, charming people of early California grace the campus. Their irrepressible good spirits and will to help, prevail in all activities during the year. But it is at Fiesta time that the essence of their fine quality is revealed.

Where amongst them is a Don who does not wish to attire himself in Spanish costume on Fiesta Day? Where is the Dona who does not secretly long to display her demure charms in gay Spanish gown, with a rose in her hair and a smile in her eyes? Where is a member of the faculty who would not like to create in the hearts of the students the added love and respect that repay his donning of Spanish costume?

Rich is our heritage from the years that are gone. Each new generation must move forward, but it must hold within its heart something of fine tradition or it cannot live. Our Dons and Donas are rightfully proud of the great progress they have made. Let us blend with our honors the gentle and gay pride of those who left to us a noble heritage—our California, our Dons, and our Donas!

Putts, Hazards & Regular "drives"  
Remember the Name and Address

CURRENT  
DRAMATIC  
CRITICISM

James Forbes' farcical satire "The Show Shop" is undoubtedly one of the finest examples of drama written during the past ten years. Although written a number of years ago it remains one of the most popular plays of the present day and during the present season is enjoying a revival throughout the country.

As its name implies, "The Show Shop" concerns itself with the activities of the theatre. Much credit is due the author for the authentic background he has injected into the four acts of his play. Opening in the New York office of Max Rosenbaum, producer, the action of the play carries its audience to Punxsatowney, a small town where a play, "The Wallop" is tried out. Following the failure of this production the action of "The Show Shop" returns to New York city. In the third act the audience is offered the rare opportunity of seeing the dress rehearsal and opening night performance of a new Broadway success, "Dora's Dilemma".

The characters are finely drawn and show a talent in the author for attention to small details. The character of Sadie, office girl, seen only in the first act is carefully developed as is that of Max Rosenbaum, the play's central figure. The character of Rosenbaum is the personification of the familiar theatre magnate and is one that might have been easily overdone by the author.

A similarity to Edna Ferber's famous "Mother Knows Best" is evident in "The Show Shop" by the introduction of Bettina Dean and her doting mother. Determined that her daughter shall become a Broadway star, Mrs. Dean presents both an interesting and amusing character. Jerome Beldon, the rich man's son who is forced to become an actor to be near the girl he loves, is another character that has been carefully developed by the author.

The author has taken the simple story of a boy in love with a girl, thrown them into the midst of New York's theatrical world, added a mother that is determined upon her daughter's success and with the aid of a cast of actors, producers, managers, authors, stage technicians and what not has evolved a play that no doubt will continue to delight audiences for another ten years.

## Ditch Day

Most of the former Ditch Days have been failures because there was no organized program or adequate preparation to interest the students. This year, this situation has been remedied and student officials predict the most successful Ditch Days in college history. The Bachelors and Lions have taken over the entertainment and nearly every club in school is backing up the social commissioner. It will be worth every student's time to make the trip to Corona Del Mar.

## Fiesta Day

Many students are rather hesitant about dressing up in Spanish dress on Fiesta Day and many other know little or nothing about what Fiesta Day means in the traditional life of the college. Fiesta Day is a real tradition—one that should be cherished and observed with true Spanish spirit.

It takes the cooperation and efforts of every student to put over such a big affair. Notable guests from all over Southern California will be here on that day and every student in his everyday garb will detract that much from the general effect. Find a costume or just a little gay color. Be a true Don or Dona.

## Sky Liners

By "Sky" Dunlap

## LA FIESTA

Why is it called Fiesta Day? Why not carry out that Spanish spirit and call it La Fiesta, which is in keeping with the tradition and sounds more typical than Fiesta Day. And to make it success, every student should dress up.

## OFFICERS

Nominations are ready to take out for A. S. J. C. officers for next year. Select your candidates that will best carry on the constructive work of this semester. The offices of president, vice-president, secretary and treasurer are to be filled.

## DITCH DAY

Heard about Ditch Day yet? Oh, yes, they have decided to hold it at Corona Del Mar on May . . . whoa! Nearly slipped out. Anyway, we are going to have a rip-roaring time, games, eats, fun, singing and what not—make plans to be there at least part of the day.

## RESULTS AT LAST

By degrees the school management is filling up the holes back of the "Y" Hut. Ought to pave it and be done.

## TRACK

Further honors for Santa Ana were bestowed yesterday when the high school stepped out and won the So. California track title. If some of these budding Olympic winners enter jaycee—boy what a track team we

would have. And our own Tom Dona. hue is entering the A. A. U. meet at Occidental this Saturday against some of the best runners on the Coast.

## WHISKERS AND CHICKENS

The greatest gift to women—the chicken list. Why some students were rash enough to get on it is a mystery. But once a chicken, always a chicken and that's that.

## HELL WEEK

Know what Hell Week is? See that it is coming around next week. Don't be surprised to notice poor scums crawling around and doing everything under the sun that their Bachelor masters thrust on them. It's a sad life.

## LONGFELLOWS

Such a conglomeration of length as never seen before will gather next Tuesday for the final banquet of the Longfellows club. Charles Lindbergh wanted to attend but couldn't arrange his affairs. He was to have brought along Will Rogers for toastmaster but Will said he didn't go without "Lindy" so the poor Longfellows will have to slobber their soup and salad all by their lonesomes. But some sure fire guests will be there though.

## ?????

Watch for the Fiesta edition of The Don. Big—different—a riot—pictures—thrills—revelations—history—etc.

## Bachelor's Bulletin

Everybody out for Ditch Day on May (?). Plenty of time for plenty of fun. The Bachelors are sponsoring the games during the day; and the Junior Lions have charge of the program around the bonfire at night.

Let's turn out and make it a real Ditch Day, with a good time being had by all—and they lived happily ever after—and

other such expressions.

Don't forget that Fiesta Day is a week from Friday. Fiesta has come to be an institution firmly rooted in Santa Ana J. C., and it is up to us to dress and act the part on FIESTA DAY.

Remember the theater ticket prize offered for the most characteristic costume of the day!
